SAMPLE CHARGES FOR MULTIFAMILY TRASH, COMPOST & RECYCLING SERVICES

July 1, 2021 through June 30, 2022 (pu

(published 5/26/21)

Calculating Required Minimum Weekly Trash Service for Your Building:

1) Multiply the number of units in the building by twenty (20) gallons.

Jif using Cart service, round the total number of gallons down or up to the nearest number of gallons that can be obtained using the available cart sizes. Examples: Round 100 gallons down to 96 gallons; Round 140 gallons up to 148 gallons up to 148 gallons.

3) If using Bin service, round the total number of gallons down or up to the nearest 100 gallons. Examples: Round 240 gallons down to 200 gallons; Round 250 gallons up to 300 gallons.

4) Select a combination of carts or bins in which the total number of gallons is equal to (or greater than) your rounded number. NOTE: One (1) cubic yard equals 200 gallons.

MOTE: Overage Charges may be assessed if this the Trash container(s) you choose. Contamination charges may be assessed if Compost or Recycling containers are used for Trash. You must subscribe to adequate Trash service. Evaluate your residents' Trash, Compost and Recycling usage when selecting Trash containers, regardless of required minimum service.

NOTE: You may order any number of Compost and Recycling containers to meet your needs, at no additional cost.

YOUR RECYCLING TEAM WASTE MANAGEMENT CALIFORNIA WASTE SOLUTIONS

The Sample Minimum Trash Container Combinations table below shows samples of Trash container combinations and charges for once per week service. Other container combinations may be available. Two, three, four, five and six times per week services are available. In many instances, using a smaller container with multiple weekly collections to achieve the minimum required service level will result in minimal changes to the overall monthly rate. Visit www.OaklandRecycles.com or contact Waste Management of Alameda County at 510-613-8700 for more information.

Monthly Charges for Trash Containers (Compost Service Included) (Recycling Charge NOT Included)

(Once/Week Service)							
Trash Container Size	Gallons	Trash & Compost Charge					
20 Gallon Cart	20	\$28.61					
32 Gallon Cart	32	\$46.61					
64 Gallon Cart	64	\$92.56					
96 Gallon Cart	96	\$138.57					
1 Cubic Yard Bin	200	\$283.54					
1.5 Cubic Yard Bin	300	\$447.11					
2 Cubic Yard Bin	400	\$569.25					
3 Cubic Yard Bin	600	\$853.86					
4 Cubic Yard Bin	800	\$1,134.09					
6 Cubic Yard Bin	1,200	\$1,701.19					
7 Cubic Yard Bin	1,400	\$1,984.71
